

## **10:02 Prayer**

### **Context**

In Luke's Gospel, Luke records how Jesus sent out the Twelve (Luke 9.1-9) and the Seventy-Two (Luke 10.1-24) in order to prepare the way and proclaim that the kingdom of God is at hand. Jesus tells His followers, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest to send out laborers into His fields." (Luke 10:2).

Jesus acknowledges the need for more people to prepare and proclaim the good news that He is the Messiah, the Savior and King of the world. He commands His disciples to pray for their hearts and the hearts of others, that many more would come to live on mission, proclaiming this good news to those in they come in contact within their lives. Just like Jesus, we want to see God raise people up to live on mission, proclaim the gospel, and disciple others.

### **1. Set Alarm**

Set your alarm every day at 10:02 as a reminder to pray.

### **2. Pray**

Pray for yourself to boldly walk into the harvest fields of your life, as well as for other followers of Jesus to live as laborers, sharing the good news of Jesus in their harvest fields.

*Example: "Jesus you are the Lord of the harvest, and we thank you that you want every person to know and walk with you. We ask you use me and my family to boldly share your good news with the family, friends, neighbors, coworkers, and strangers in our lives. We also ask for more followers of you to live into their identity as your ambassadors, that they would joyfully and boldly labor in the harvest fields of their lives. We thank you and pray all of this in your name, Amen."*

### **3. Invite**

Invite others to join with you in this daily prayer rhythm.
